CSBG Tribal Network Newsletter September 2018

Dear CSBG Tribal Network,

Congratulations to all of the Tribes and Tribal Organizations who were able to submit their FY19 CSBG applications by the September 1st deadline!

We've heard from OCS that nearly all grantees have submitted their FY19 CSBG application materials. It is critical that any Tribes or Tribal Organizations that have not yet submitted their complete FY19 CSBG Tribal Plan, updated SF-424M, and narrative FY18 Annual Report submit all application materials immediately. If you have missed the September 1st deadline, please review the [special instructions](#) below. Lizette and I are happy to provide any assistance needed.

As always, if you have any program updates or recommendations for future newsletters, please feel free to let us know. We are always happy to hear from you!
