**PURPOSE:** To inform Indian tribes and tribal organizations of the CSBG application requirements for FY 2020.

**BACKGROUND:** The Office of Community Services (OCS) funds Community Services Block Grant (CSBG) grantees based on the determination that their applications and plans are complete in accordance with the requirements of the CSBG Act and regulations. Federally- or state-recognized Indian tribes and tribal organizations may apply for funding under the CSBG Act by submitting an application that meets the requirements of Sections 676 and 677 of the Act. CSBG provides tribes with funds to lessen poverty in communities by providing a range of services and activities to address the needs of tribal members with low-income. CSBG has funded core services in tribal communities including employment and training, youth services, health, education (e.g., adult literacy, early childhood development, and drug prevention programs), housing, and nutrition.

CSBG focuses on strengthening the efficiency and effectiveness of tribal programs through improved performance measurement, fiscal accountability, monitoring, and reporting.

Operation of CSBG in accordance with these applications will be dependent on enactment of Fiscal Year (FY) 2020 appropriations supporting this program.

## **TRAINING AND TECHNICAL ASSISTANCE**

Since 2011, OCS has supported a training and technical assistance (T/TA) initiative to strengthen tribal and tribal organizations' administration of CSBG. This T/TA provides information on issues such as regulatory requirements, program administration, and communication to eligible tribal entities. We develop T/TA tools and products in consultation with tribal representatives, which we continuously update and improve to meet the current needs of tribes and tribal organizations.

Applicants who need assistance and are interested in applying for CSBG may contact our tribal support contractor, LUX Consulting, at 301-244-3557 or [TribalTA@luxcg.com](mailto:TribalTA@luxcg.com).

**Technical Assistance Tools:** Technical assistance tools, including a *CSBG Tribal Plan & Application Fillable-PDF Tool & Tool Guide* are available to assist grantees in producing the CSBG Tribal Plan and Application materials as required by Section 676 of the CSBG Act. In addition, a webinar series on the CSBG application process is available on the CSBG Tribal Training and Technical Assistance Program website: [CSBG Tribal Application TA Tools & Templates](#).
