

# CSBG Annual Report OLDC Submission Step-by-Step Instructions

## Before You Begin

### An Important Reminder: Save Often!

Saving often will ensure that you do not lose any information entered into the system.

OLDC will time out after 30 minutes of inactivity. Clicking on page titles and action buttons (such as saving) will count as 'activity.' (Please note that filling in form fields without saving or clicking a corresponding blue action button (e.g. Save, Validate, Submit, Certify) does not register as activity within the system.)

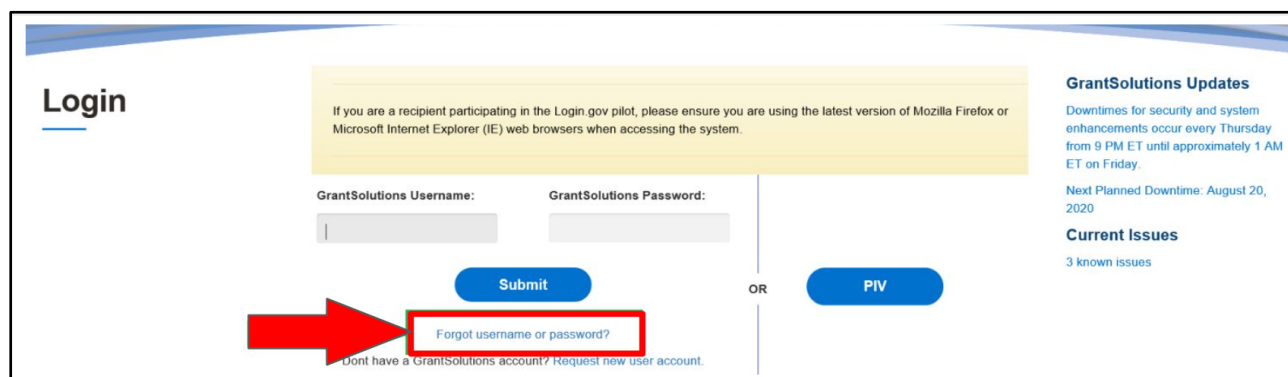

The timeout warning message will display if you have been inactive for too long. If you have left the screen and miss the message without saving, unsaved input will be lost. Clicking "OK" will count as activity and return you to the form.

## Access the OLDC System

1. Visit [GrantSolutions.gov](https://GrantSolutions.gov) and confirm access. Update password if needed. If you have new staff or account changes are needed, complete an [OLDC Access Form](#) and submit to Niki Frazier, OCS Senior Records Specialist at [nikita.frazier@acf.hhs.gov](mailto:nikita.frazier@acf.hhs.gov). If you forgot your password, click “Forgot username or password?” from the log in screen and follow the prompts.

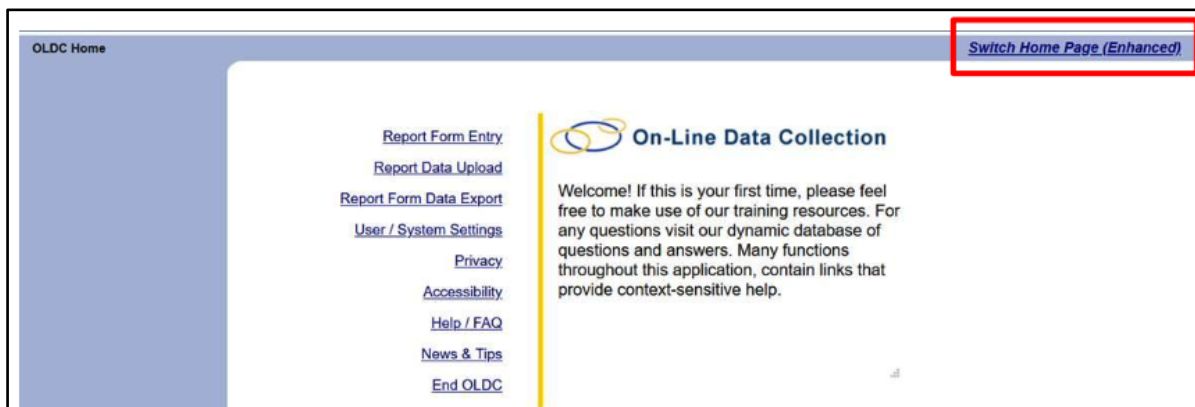

The screenshot shows the GrantSolutions Login page. On the left, there's a 'Login' header. In the center, there's a login form with fields for 'GrantSolutions Username:' and 'GrantSolutions Password:', a 'Submit' button, and a 'PIV' button. Below the 'Submit' button is a link that says 'Forgot username or password?'. A red arrow points to this link. To the right of the login form, there's a section titled 'GrantSolutions Updates' with information about system downtime and current issues.

2. Enter the OLDC Portal. Choose “OLDC” on the upper right of the screen to open the OLDC Home page.

3. On the OLDC Home page, click on “Switch Home Page (Enhanced)”. This will enable your view of the OLDC Dashboard. Then, click on “Report Form Entry” which will open the Form Selection screen.
